PART 1: THE ENERGY SYSTEM

with Aoibhinn Murray

DIAGNOSES

Learn to diagnose a blocked chakra or a chakra that has been blown open

THE 7 MAJOR CHAKRAS

Learn the location of the 7 major chakras (energy centres) and understand the functions, energies, and purpose of each chakra

AURA / BIO MAGNETIC FIELD

Understand what the Aura/Bio magnetic field is; its layers, what impacts it, and how to keep the Aura clean and vital. This is particularly important when working on others with high vibrational healing energy

STRENGTH

Apply the practical steps you need to strengthen your chakras and learn what happens when you don't. You are most likely suffering unnecessarily

PART 2 ENERGY HEALING

with Aoibhinn Murray

HEALING, STEP BY STEP

Learn to carry out a hands-on healing session step by step; a distant or remote healing session step by step; and learn to close a healing session and give feedback

CHANNEL ENERGY

Channel high frequency energy through your hands and understand how to use it on yourself and others

CONFIDENCE AND INTUITION

Strengthen your intuitive abilities and become confident in your own healing abilities

ENERGETIC ATTACHMENTS

Detect energetic attachments/parasites in order to clear them

RAISING VIBRATIONS

Raise your own vibration through the healing of others and learn to appreciate yourself and others in a new and deeper way

IMPROVE CURRENT HEALING PRACTICE

Improve your current energy healing practice or feel confident to move forward with a new one

BONUS ONLINE MASTER CLASS

Learn to connect and work with your Spirit Guides
